### **About Neem School:**

NEEM SCHOOLS for value education is an initiative by Dr. Anjali Nigam, WCG foundation. We through neem schools are trying to provide 'Value-based Education' to 3-15-year-olds, from slums and EWS, BPL areas for the last 10 years to 'inject the value gene' and make these children into 'responsible human beings'.

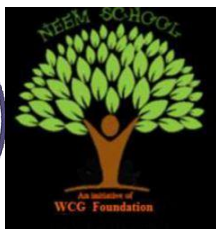

We need at least 100 Neem Schools only in Delhi, to cover minimum 40% of the juvenile population living in BPL/EWS/slum areas, to make some Impact!

**To Fulfil our mission:** The Participants will be duly trained to disseminate learning from the workshop to everyone they come in contact with, and initiate 'Neem Schools under Neem Trees' in the area they live or are comfortable with.
